## First Degree Courses in Microbiology and Biotechnology

This list has been compiled using the UCAS website ([www.ucas.com](http://www.ucas.com)) and includes all the specialist first degree courses in microbiology and biotechnology run by UK universities. However, many also offer joint courses in microbiology with other scientific subjects or languages. You should consult the prospectuses or websites of the universities concerned to check all the available options and to obtain details of the course contents. It is also possible to study microbiology modules as part of a more general biology course (such as applied biology, biology, biological science, bioscience). Whilst every care has been taken in producing this leaflet, the accuracy of the information cannot be guaranteed and it may be subject to change.

Institution & Course Titles	Contact Details	Email & Website	UCAS Code
<b>The University of Aberdeen</b> Microbiology Microbiology with Industrial Placement Medical Microbiology Medical Microbiology with Industrial Placement Molecular Microbiology Molecular Microbiology with Industrial Placement Biotechnology (Applied Molecular Biology) Biotechnology (Applied Molecular Biology) with Industrial Placement	Student Recruitment & Admissions Service, The University of Aberdeen, University Office, King's College, Aberdeen, AB24 3FX	sras@abdn.ac.uk <a href="http://www.abdn.ac.uk/sras">www.abdn.ac.uk/sras</a>	C500 C501 C521 C523 C530 C551 J700 J701
<b>University of Abertay</b> Biotechnology	Student Recruitment Office, University of Abertay, Dundee, Bell Street, Dundee, DD1 1HG	sro@abertay.ac.uk <a href="http://www.abertay.ac.uk">www.abertay.ac.uk</a>	C930
<b>Aberystwyth University</b> Microbiology Zoology/Microbiology	Recruitment & Admissions Office, Aberystwyth University, Penglais Campus, Aberystwyth, Ceredigion, SY23 3FB	ug-admissions@aber.ac.uk <a href="http://www.aber.ac.uk">www.aber.ac.uk</a>	C500 CC35
